

Sustainable Curriculum Working Group  
October 17, 2014  
SAC 214 10:00 am

Present: Kelli Horner, Elizabeth Flynn, Karen Groppi

Discussed:

Plastics to Fuel project grant was submitted this week. Elizabeth is interested. Jason Camara will offer to his O Chem students.

What should we put on website:

Videos of sustainable content in classes

Meeting minutes

Engage Faculty to join SCWG by:

Sending invitation and asking Classes with Sustainable content:

Chem30 B Organic and Biological Chemistry for Health Occupations

Engineering 25 Graphics 7 Design

List of classes for students

Links to curriculum we have

How should STEM educators deal with their opinions and bias?

Hide Views?

Discuss views and let students decide?

Does hiding views imply students can't think critically?

Action Items:

Karen find and send Kelli Flex 2011 list of courses

Elizabeth post water fountain outreach messages
